

The background features a photograph of several workers in an industrial setting. They are wearing blue hard hats and high-visibility orange safety vests. One worker in the foreground is wearing safety glasses and looking towards the camera with a slight smile. The image is overlaid with a semi-transparent blue filter. A large, curved green graphic element sweeps across the bottom right corner of the slide.

# New lay-out general

The lay-out of the employee overview has become more clear and structured.

1. The position of the search field, action buttons and function buttons is more intuitive.
2. Functionalities most used are in the overview, functionalities less used are behind ... buttons.

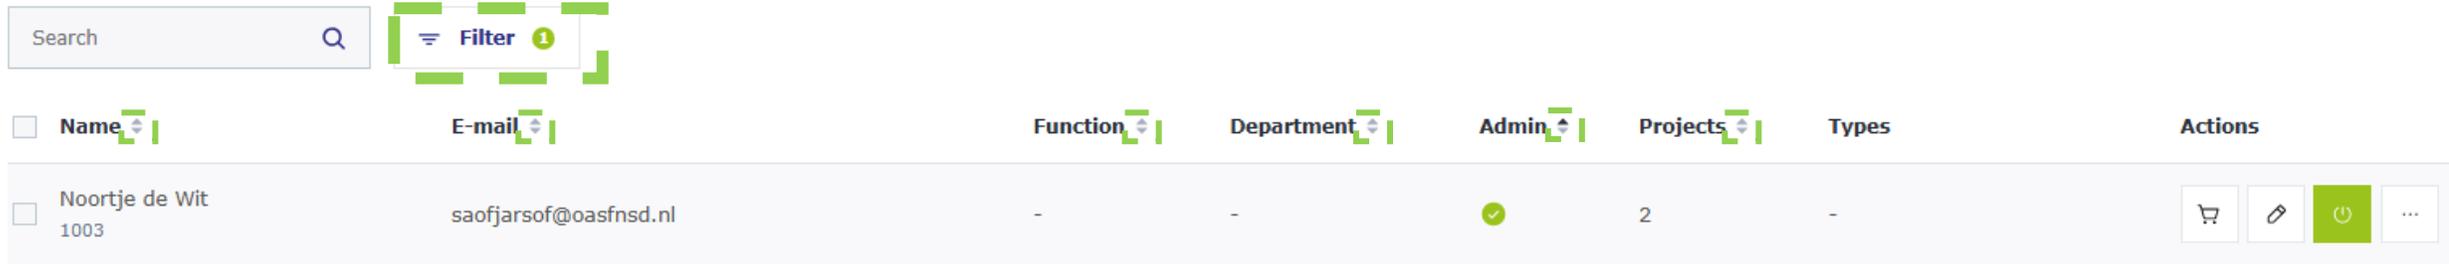

As a next step some of these functionalities will move to the employee detail page.

3. The employee number is integrated in the column employee name.
4. Default overview shows 15 results instead of 10 today

The screenshot displays the 'EMPLOYEES' overview page. The interface includes a top navigation bar with the title 'EMPLOYEES' and a search icon. Below the navigation bar, there are four buttons: '+ Add employee', 'Import employees', 'Export employees', and 'More ...'. A search field with a magnifying glass icon and a 'Filter' button are located below the buttons. The main content area is a table with columns: Name, E-mail, Function, Department, Admin, Projects, Types, and Actions. The table contains two rows of employee data. The 'Actions' column for each row contains a shopping cart icon, an edit icon, a power icon, and a 'More' button. At the bottom of the page, there is a pagination control showing 'Showing 1 to 15 of 30' and a 'Show 15 results' dropdown.

Name	E-mail	Function	Department	Admin	Projects	Types	Actions
Noortje de Wit 1003	saofjarsof@oasfnsd.nl	-	-	✓	2	-	[Shopping Cart] [Edit] [Power] [More] [Chevron]
Demo Klantdemo 125896	demoklantdemo@test.nl	-	-	✓	1	-	[Shopping Cart] [Edit] [Power] [More] [Chevron]

# Filters and sorting

<input type="checkbox"/>	Name	E-mail	Function	Department	Admin	Projects	Types	Actions
<input type="checkbox"/>	Noortje de Wit 1003	saofjarsof@oasfnsd.nl	-	-	<input checked="" type="checkbox"/>	2	-	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/>

You can filter the results via the filter button.

The number of filters set is shown. The 'active' filter is default.

You can change or reset the filters by clicking the filter button.

You can sort the results via the sort buttons per column in the overview.

By sorting on customer admin you will find the customer admins

for this customer number. If the column is empty the line shows an employee.

# Action buttons

- Some new icons are introduced.
- The order button ends up in the same flow as the green order button.
- Login as employee, Companies and roles and move employee are behind the [...] button.
- There is no show button, you can enter the employee detail page by clicking on the employee line.

<input type="checkbox"/>	Name ↕	E-mail ↕	Function ↕	Department ↕	Admin ↕	Projects ↕	Types	Actions
<input type="checkbox"/>	Noortje de Wit 1003	saofjarsof@oasfnsd.nl	-	-	✓	2	-	    >

-  Login as employee
-  Companies and roles
-  Move employee

# Function buttons

- New position
- Import sizes, export sizes and budget are behind the [More...] button

The screenshot displays a web interface for managing employees. At the top left, there is a header with a group icon and the word "EMPLOYEES". To the right of the header, there is a toolbar with four buttons: "+ Add employee", "Import employees" (with a download icon), "Export employees" (with an upload icon), and "More ...". Below the header, there is a search bar with the text "Search" and a magnifying glass icon, and a "Filter" button with a green indicator "1". The main content area is a table with the following columns: Name, E-mail, Function, Department, Admin, Projects, Types, and Actions. The table contains one row of data for "Noortje de Wit" with ID "1003" and email "saofjarsof@oasfnsd.nl". The "Admin" column has a green checkmark, and the "Projects" column has the value "2". The "Actions" column for this row has a shopping cart icon, an edit icon, and a "More ..." button. The "More ..." button is expanded to show a dropdown menu with three options: "Import sizes", "Export sizes", and "Budget".

Name	E-mail	Function	Department	Admin	Projects	Types	Actions
Noortje de Wit 1003	saofjarsof@oasfnsd.nl	-	-	✓	2	-	Shopping cart, Edit, More...

# Search field

- If you start to type, the search starts immediately.
- If you delete the text in the field, all results will be shown again.

# Bulk actions

- If you select multiple employees, the bulk action buttons appear at the top of the employee overview.

You can start the desired bulk action by clicking the button.

- You can select all employees shown on the page by clicking the checkbox at the top left to 'Name'.

If there are multiple pages, make sure all the employees are shown by changing the number of results per page at the bottom or create a bulk action per page (same as today).

The screenshot displays the 'EMPLOYEES' management interface. At the top right, there are buttons for '+ Add employee', 'Import employees', 'Export employees', and 'More ...'. Below these, a search bar and a 'Filter' button with a notification icon are visible. A row of bulk action buttons is highlighted with a dashed green box: 'Move', 'Activate', 'Deactivate', 'SRX orders', 'DSE orders', and 'CMH orders'. Below the buttons is a table with the following columns: Name, E-mail, Function, Department, Admin, Projects, Types, and Actions. Three employees are listed, each with a green checkmark in the 'Name' column. The 'Actions' column for each row contains icons for a shopping cart, edit, power, and a menu.
